**WE HAVE MISSED YOU !!**

If you have taken several weeks off from church this summer, be assured you have been very much missed. Yes, we missed your offering each week. But more than that, we missed your smiling face in the pew. We missed your adding joyful noise to our Lord Jesus during the hymns. We missed your voice in our prayers and praise to God. We especially missed our fellowship with you.

**Why I attend church on Sundays #31**

Because, so far from relaxing that diligent church attendance which marked the time of my confirmation, I should be **more** diligent as I see the **DAY** approaching.
